

LAKSHMI S

Kovilpatti, Tamil Nadu | +91 6383532172 | lakshmisukumaran2911@gmail.com | [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

Results-driven Computer Science graduate (CGPA: 9.27) with hands-on experience in full stack web development and Python programming. Proficient in Python, React.js, Node.js, SQL, and JavaScript with practical expertise gained through two internships and academic projects. Recognized as College 2nd Outstanding Student. Seeking an entry-level role in Software Development, Web Development, or Python Development.

TECHNICAL SKILLS

Programming Languages: Python, C++, Java, JavaScript

Frontend Development: HTML5, CSS3, JavaScript (ES6+), React.js, Responsive Web Design

Backend Development: Node.js, .NET Framework, RESTful APIs

Databases: SQL, MySQL, MongoDB, Database Management

Concepts & Tools: OOP, Git, GitHub, Debugging, Problem Solving, UI/UX Design, Performance Optimization

PROFESSIONAL EXPERIENCE

Web Development Intern | *Cognifyz Technology* | June 2025

- Developed responsive web applications with HTML5, CSS3, JavaScript, and React.js, ensuring cross-browser compatibility.
- Designed and implemented user-friendly interfaces using modern UI/UX principles and responsive layouts.
- Optimized webpage performance and enhanced user experience through component-based React architecture.
- Collaborated on project-based tasks to sharpen practical software development skills.

Web Development Intern | *Bluon Technology, Kovilpatti* | May 2025

- Built and deployed responsive web pages using HTML, CSS, JavaScript, and React.js.
- Improved application UI through modern component design and mobile-first responsive layouts.
- Contributed to frontend development projects and implemented performance optimization techniques.

PROJECTS

Parents Portal | *React.js* | *Node.js* | *MySQL*

- Designed and developed a full stack web portal enabling parents to monitor student attendance, academic marks, circulars, and fee payment details.
- Integrated MySQL database for secure data storage, retrieval, and management of student records.
- Implemented user authentication, role-based access control, and responsive UI components for seamless experience.

Online Feedback System | *.NET Framework*

- Built a feedback management application for academic evaluation, supporting faculty and course assessments.
- Implemented input validation, secure data handling, and reporting functionalities for administrative use.
- Designed a clean interface ensuring ease of use for students and administrators.

EDUCATION

B.Sc. Computer Science | K.R. College of Arts and Science | 2023 – 2026

CGPA: 9.27 | *College 2nd Outstanding Student Award*

Higher Secondary Certificate (HSC) | Ravilla KRA Vidhyashram Matriculation Hr. Sec. School | 2023

Percentage: 91%
